Dear David

I am e-mailing you to say how absolutely thrilled everyone is with the playground markings your team did . They are so skillful and a wonder to watch.

The rainbow is a triumph and is loved by all who see it. The markings are the key to the success of the playground and you and your team have made all the difference.

Thank you

Please pass on my regards to your skillful team. and let them know their handiwork will be enjoyed by children for years to come.

Kindest regards

Anita Hawksworth
